SS22 Association Disclaimer

The safety of a boat and her crew is the sole responsibility of the owner or the owner's representative who must do their best to ensure that the boat is fully found, thoroughly seaworthy and manned by an experienced crew who are physically fit to face bad weather. They must be satisfied as to the soundness of hull, rigging, and all gear. They must ensure that all safety equipment is properly maintained and stowed and that the crew know where it is kept and how it is to be used.

Neither the establishment of these requirements, their use by race organisers, or the inspection of a boat under these requirements in any way limits or reduces the unlimited and complete responsibility of the owner or the owners
